

New York State Nursery and Landscape Association

OWNERS SUMMIT &

Leadership Retreat

Join together with your fellow Green Industry Leaders at the Tailwater Lodge on January 12-14, 2022 to discuss the issues that matter to your livelihood and the future of our industry and individual businesses in New York State.

NYSNLA held our first Owners Summit in 2019—to great success and enjoyment by all in attendance. As we look ahead to 2022 and beyond, we are starting the new year out by, once again, offering this incredible opportunity to use this slower time of the year to gather, discuss, and plan. We hope you will join us!
